Full job description

Your new company

Work for one of Australia's largest insurers!

Your new role

The Underwriting position would suit someone who thrives in a high-performance team and enjoys working with people. This role will see you regularly communicating with brokers with a strong focus on building relationships with various stakeholders. You will be required to work collaboratively in the team and produce quality technical underwriting.

Key Responsibilities

- Understand the Commercial & Agri business plan and how your role contributes towards the plan.
- Underwrite insurance risks in line with product guidelines.
- Deliver timely service outcomes for partners and stakeholders in line with agreed standards
- Develop strong relationships with internal and external stakeholders
- Ensure ways of working are in line with nationally agreed policies and protocols
- Referring more complex risks to Lead Underwriters or higher
