### Full job description

Londonderry Early Learning Centre has an opportunity for a dedicated Early Childhood Teacher to join our team. Your commitment to teaching and learning will be nurtured within a culture that encourages professional and personal development.

At G8 Education we understand that learning begins from birth; more development occurs in the human brain between birth to 5 years than at any other time in the life span. So, we continually strive to achieve best practice in early childhood education and care from birth to 5 years. This begins with recruiting, training and retaining dedicated educators and teachers and supporting them to continue their own professional learning, which leads to positive learning outcomes for children.

At Londonderry Early Learning Centre our long standing educators are passionate about the development and education of each and every child through play-based learning. Our qualified educators provide specialised programs based on the Early Years Learning Framework for children from birth to six years.

We also offer a School Readiness Program to ensure your children are ready for the best start at school. As part of our School Readiness Program and community involvement we make regular trips every fortnight to the local primary school to attend assembly and other special events.

**The ideal applicant will hold a Bachelor or Masters of Education (Early Childhood) as recognised by ACECQA.
