Full job description

Your new company:

Is the largest specialised shotcrete contractor in Australia and has been operating for over 35 years with current projects throughout Australia in which they provide unique services of concrete spraying to many major mine sites! With employing the latest techniques and specially adapted placement materials to maintain best industry practices this company prioritises a totally safe environment.

Your new role:

You will be required to use mechanised cable bolting machines which accompany the drilling of holes, mixing and pumping of grout and installation of cable bolts in underground mines.

What you'll need to succeed:

- Will require NPC
- Previous EXPERIANCE as a Cable bolt operator
- Can OPERATE a SANDVIK DS421 Cable bolter
- Clean DAS and be able to pass a medical.

What you'll get in return:

- \$75/hr + Super on all hours worked
- 8/6 Roster or 2/2
- Trade upgrade options and continued learning
- Temp to Perm opportunities
- Weekly pay
- Consistent and reliable service from your Recruitment consultant
- An opportunity to work within a fantastic company and team
